

Hello February! We have had such an amazing start to the 2020 year with thanks to all our Preschool families. Winter months do not allow many outdoor play days, but the children have been warm inside learning everything about this time of year.

January sure did fly by but that doesn't mean we didn't have fun while it was here! One of the biggest things that January brought was our Bear Adventure to kick-off our 2020 Read-A-Thon Fundraiser. The children had a blast hearing bear stories, making their own bear faces, bear crawling to get their fish dinner home, and eating a yummy bear snack. It was a lot of fun to pretend to be bears! Now it's time to READ, READ, READ!!!!

As we head into February, here is a list of important dates to remember.

not be present nor wait in the car/hallway. Class will be closed the day of conferences. Children who are enrolled in Preschool Plus may use that program since it will be OPEN. Please notify us if they will be in attendance. We value your time so thank you for making arrangements to meet with your child's teacher(s).

2020-2021 Registration Begins March 1st

We have already started preparations for the 2020-2021 school year. Many of our children will head off to kindergarten but some of you will be returning for a second or third year of Preschool. This year, Family Conferences are set for February 27 and February 28. This is an excellent time to pick up registration forms and I strongly encourage you to begin thinking about your plans for the next school year. The form and a \$50 registration fee will hold your child's spot for the 2020-2021 school year. Enrollment for the 2019-2020 school year was 90% full by the end of April last year. We absolutely love our families and we do not want you to miss your chance to join us for another year! God's guidance and your recommendations to family and friends help us continue to be successful.

Thank you to those that have volunteered in the classrooms, at the Read-A-Thon and putting together Scholastic orders. We appreciate your help!

Tuition costs are increasing for the 2020-2021 school year.

Tuesday/Thursday- \$120.00 MWF- \$145.00 5-Day 1 & 2- \$185.00
