## Newsletter 2023

As we head into the final weeks of the school year, it is so important for us to take time to thank God for all His blessings, big and small. We also thank each of you for sharing your child with us. They will forever hold a special place in our hearts. For those children heading off to kindergarten, we wish you the best! Each child holds a special place in our hearts for the rest of our lives and we will miss you! Don't forget to come back to visit!

After celebrating the Easter holiday, we were excited to get back to school and dive into Spring themed activities. The children also have been working extremely hard on their songs for our upcoming Spring Program!!!

Moving into May, here is a list of important dates to remember.
